Wheat

Tonnes of production targeted.

1m

Sugar

Tonnes of production targeted.

US$1bn

Beef exports

Annual export earnings targeted.

04 TOURISM

International tourist arrivals

2.3m → **5m**

2025 ARRIVALS

ANNUAL TARGET

The Government aims to reach five million international tourist arrivals over the next five years.

HOW GOVERNMENT PLANS TO GET THERE

Improve access, market Zambia as a destination and link multiple sites in visitor itineraries.

05 THE DELIVERY FRAMEWORK

Five pillars behind the targets

The Budget Speech groups Government·s priorities under five pillars.

01 **Growing the economy**
Production, productivity, value addition and exports.

02 **Connecting the nation**
Energy, transport, logistics and ICT infrastructure.

03 **Improving living standards**
Education, health, water and sanitation.

04 Building an effective, efficient and delivery-oriented public sector
Governance, accountability and service delivery.

05 **Financing our future**
Mobilising long-term capital and private investment.

ZAMBIA / BUDGET 2027

WHAT DOES THIS MEAN FOR YOUR BUSINESS?

MAP
Where your business could fit.

TRACK
How the plans take shape.

ASSESS DEMAND
1 Consider how the targets could affect demand for inputs, logistics and local services.

REVIEW WHAT DELIVERY REQUIRES
2 Assess access to finance, infrastructure and markets.

FOLLOW THE DEVELOPMENT PLAN
3 Grow Zambia will anchor the Ninth National Development Plan for 2027·2031.
